

**Instructions:**

- Before placing your Plastic Fantastic remember to clean your dashboard
- Place your Plastic Fantastic on any flat surface
- Place your belongings e.g. cell phone, keys, glasses, wallet, tobacco etc. on your Plastic Fantastic for easy access and storage

**Care:**

- Wash your Plastic Fantastic with soap and water to remove dust and retain grip

**Caution!** : Do not place your Plastic Fantastic or any belongings on top of air bag. Ejection of air bag can cause the Plastic Fantastic and items put on top to throw out and cause severe personal injury.

**Notice!** : UV-rays from the sun will cause your dashboard to discolour or fade over time. Therefore we recommend to continuously moving your Plastic Fantastic to another location. Do not expose your Plastic Fantastic for high temperatures or direct sunlight for longer periods of time. Plastic Fantastic should not be used on any painted or lacquered surface because discolouration may occur. Contact your car manufacturer to make sure your dashboard is not painted/lacquered. Splitsports AB renounce all responsibility for damage caused by using the Plastic Fantastic incorrectly. Splitsports AB only takes responsibility for replacing your Plastic Fantastic.
